For stunning beauty Helen Hoey, the well-lived life is one to be experienced fully with all six senses. Wife, mother of four, philanthropist and designer of interiors, clothing and jewelry, this visionary soir e hostess fills her world with spirituality and richness. In partnership with husband and wine critic Dan Hoey, Helen founded and co-chairs the successful Imani Christian Academy Gala and Children's Hospital Wine Tasting events. Often tapped for her sensational party and event design talents, Helen most enjoys a festive meal with friends in the feasting room she designed for her turn of the century home in Sewickley.

Helen's Norma Kamali convertible Dress, Pedro Garcia shoes and accessories are all from Chick Boutique, Downtown. 412-434-0100 or [www.chickdowntown.com](http://www.chickdowntown.com). ■
